Excisions:

Excisions Recommended And Made

Reasons for excisions:

Multiple excisions are required to remove depictions of degrading, dehumanising and demeaning sexual conduct involving fellatio where the women's heads are often restrained and forcibly penetrated. The feature has the overall effect of representing implicitly that women as a class of persons are inherently inferior by objectifying them as sexual utilities to such an extreme extent and degree. The conduct is highly degrading, dehumanising and demeaning to the women participants and by extension women in general, and is presented in a manner that intensifies the effect.
